

Cataract

Initial Consultation	Cost
Mr Jaheed Khan, Ms Laura Crawley or Mr Sajjad Ahmad	£ 250

Ophthalmic Testing *	Cost
Biometry	£215

**An additional test (OCT) may also be required depending on the outcome of the consultant's examination of your eyes. It is not required for every patient, but should it be deemed necessary then this would be an additional £350.*

Procedure (per eye)	Cost
Surgeon fee	£1200

Hospital (per eye) **	Cost
The London Clinic – day case under local anaesthesia	£1630
The London Clinic – day case under sedation	£1930
The London Clinic – day case under general anaesthesia	£2230
Western Eye Hospital Fee (set fee regardless of type of anaesthesia & applicable to Ms Crawley's patients only)	£1440

***Please note that the above hospital charges include a standard monofocal intraocular lens. Should you require a specialist Toric or multifocal lens then this will be quoted on a lens by lens basis once we know the type and strength of the lens required.*

Anaesthetist (per eye)	Cost
Anaesthetist fee <i>Applicable for local and sedation & general anaesthesia only</i>	£350

Follow up Consultations	Cost
Optional day 1 post op with nurse	No charge
Mr Jaheed Khan, Ms Laura Crawley or Mr Sajjad Ahmad (normally 2-3 follow up appointments are required)	£200

N.B. Whilst we regularly check that we have the up to date hospital fees we cannot be held accountable should the hospital amend or change their fees without our knowledge. A written quote from the hospital will be requested for each patient prior to surgery taking place.
