

Glaucoma Assessment & Surgery

All patients will see a doctor for their initial assessment prior to undergoing any treatment.

Unless otherwise specified all investigations, with the exception of pachymetry, will be carried out by an ophthalmic nurse and all treatment will be carried out by the consulting doctor.

Consultation	Cost
Initial consultation with Ms Laura Crawley	£250

In order to fully assess and either diagnose or rule out glaucoma the following standard set of investigative tests are required:

Investigations	Cost
OCT, Visual Fields & Pachymetry	£750

Following the consultation and investigations your doctor will advise which treatment (if any) is most appropriate for you.

Treatment – Laser Iridotomy (per eye)	Cost
Surgeons fee	£450
Clinic fee	£410

Treatment – SLT Laser Trabeculoplasty (per eye)	Cost
Surgeons fee	£520
Clinic fee	£490

Treatment – Trabeculectomy (per eye)**	Cost
Simple	£4000
Complex	£6000

Consultation	Cost
Follow up consultations with Ms Laura Crawley	£200

*** Trabeculectomy surgery is a complex and varied procedure. These prices are to be used for guidance only. Should surgery be required, a full and complete quote will be provided to you after Ms Crawley's initial assessment and investigation.*
