3x post-operative appointments with an orthoptist	£240
24hr suture check / adjustment by Miss Jane Olver (only applicable where adjustable sutures are used)	£500

*\*Price variation is due to the variable factors when booking a surgery. The price is dependent on the hospital facility used (Harley Street Clinic or Weymouth Street Hospital), on the anaesthetist available to assist with surgery and on the type of squint surgery required – C3112, C3113, C3180 or C3530.*

*N.B. Whilst we regularly check that we have the up to date hospital fees we cannot be held accountable should the hospital amend or change their fees without our knowledge. A written quote from the hospital will be requested for each patient prior to surgery taking place.*
